Dear Sir/Madam

Re: Application for FIN/HR Assistant Position.

I am writing to express my enthusiastic application for the FIN/HR Assistant position at Médecins Sans Frontières (MSF). With a Diploma in Accounts and Finance and two years of relevant experience, I am eager to contribute my skills and dedication to an organization that makes a significant impact on communities around the world.

Currently, I am an Accountant at Global Fruits and Foodstuffs Co. Ltd, where I manage financial reporting, accounts payable and receivable, and assist in budget preparation. This role has honed my analytical and organizational skills, ensuring accuracy and compliance in financial operations. My previous experience with the local NGO WARDA allowed me to develop a strong foundation in financial management within a nonprofit context, further fueling my passion for impactful work that supports humanitarian efforts.

I am particularly drawn to the FIN/HR Assistant role at MSF because of your commitment to providing medical aid in crisis situations. I am excited about the opportunity to support your financial and human resource operations, ensuring that resources are managed efficiently and effectively to aid your mission. I believe my proactive approach and strong attention to detail will enable me to contribute positively to your team.

Thank you for considering my application. I look forward to the opportunity to discuss how my experience and skills align with the needs of Médecins Sans Frontières.

Warm regards,

Yahye Abdullahi Sheikh
